Who Is This Vendor Assessment For?

NelsonHall's Mobile Payment Services Vendor Assessment for iGATE is a comprehensive assessment of iGATE's Mobile Payment Services (MPS) offerings and capabilities designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of recruitment process outsourcing and identifying vendor suitability for MPS RFPs
- Vendor marketing, sales and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the support services sector.

Key Findings & Highlights

iGATE is an Indian-headquartered BPO provider to global enterprises.

As a result of changing regulations and cost pressures coming out of the global recession, retail banks need to aggressively pursue revenue growth from transaction-based businesses, such as payments. Retail banks are looking for help in building their MPS capabilities to address the draw in new customers. iGATE is seeing significant demand from all retail banks and merchants, particularly in countries and regions where costs are high (mature markets) or volumes are low (emerging markets).
