Who Is This Vendor Assessment For?

NelsonHall's Multi-country Stock Plan Administration Outsourcing Vendor Assessment for Accurate Equity is a comprehensive assessment of Accurate Equity's stock plan administration outsourcing (SPA BPO) offerings and capabilities designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of recruitment process outsourcing and identifying vendor suitability for SPA BPO RFPs
- Vendor marketing, sales and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the support services sector

Key Findings & Highlights

Accurate Equity is a Norway headquartered software and business process outsourcing (BPO) organization, offering software, BPO, and consulting services for stock plan administrators.

As a result of changing regulations and cost pressures coming out of the global recession enterprises need to change their management of equity compensation plans, especially multi-country plans. Enterprises are looking for help in rebuilding their stock plan administration capabilities to address the current market realities. Accurate Equity is seeing significant demand from global institutions, particularly in countries and regions where costs are high (mature and/or highly regulated markets) or volumes are low (emerging markets).
