Who is this Vendor Assessment for?

NelsonHall's vendor profile on NTT DATA is a comprehensive assessment of NTT DATA's SAP Cloud Migration offerings and capabilities, designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of IT services and identifying vendor suitability for SAP Cloud Migration services
- Vendor marketing, sales, and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the IT services sector.

Key Findings & Highlights

This NelsonHall vendor assessment analyzes NTT DATA's offerings and capabilities in SAP Cloud Migration.

NTT DATA positions its services across the full SAP cloud migration services stack. These services include an up-front consulting phase to deliver assessment and planning, an execution phase to build and deploy the defined solution, and an ongoing management and support phase. It looks to deliver these services through a balanced approach of onsite consulting resources and a remotely located factory model.

At the core of NTT DATA's implementation approach for S/4HANA environments is SAP's RISE, a comprehensive package that contains all the fundamental components and blueprints for an intelligent, sustainable enterprise in the cloud.
