Who Is This Vendor Assessment For?

NelsonHall's Payroll Services vendor assessment for OneSource Virtual is a comprehensive assessment of OneSource Virtual's payroll services offerings and capabilities designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of payroll outsourcing and identifying vendor suitability for payroll services RFPs
- Vendor marketing, sales, and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the support services sector
- HR and payroll decision makers.

Key Findings & Highlights

OneSource Virtual (OSV), founded in 2008 and headquartered in Dallas, Texas, is a BPaaS and professional services organization which focuses its offerings exclusively around Workday.

Following its implementation of Workday, OSV became a Workday services partner, providing HR transactional tasks through its proprietary service wrapper, Atmosphere. In 2010, OSV signed its first major full-service BPaaS client. In 2014, OSV expanded its BPaaS offering to include AMS and organizational change management consulting services were added.

OSV offers a consult to operate for Workday model, which means that it can support its clients with design, deployment, and operation and maintenance of the Workday product and service offering, where this is included in the contract. It delivers services to clients in the U.S., U.K., and Canada.
