Who Is This Vendor Assessment For?

NelsonHall's Customer Experience Services in Retail and CPG report on Transcom is a comprehensive assessment of Transcom offerings and capabilities designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of CXS and identifying vendor suitability for CXS RFPs
- Vendor marketing, sales, and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the support services sector.

Key Findings & Highlights

In August 2018, Transcom acquired Awesome OS. Awesome OS provides customer care, sales, back-office such as data and order entry, social media services, graphic design, and web development, targeting the North American retail sector.

Scope of the Report

The report provides a comprehensive and objective analysis of Transcom customer experience services offerings and capabilities, and market and financial strengths in the retail and CPG sectors, including:

- Identification of the company's strategy, emphasis, and new developments
- Analysis of the company's strengths, weaknesses, and outlook
- Revenue estimates
- Analysis of the profile of the company's customer base including the company's targeting strategy and examples of current contracts
- Analysis of the company's offerings and key service components
- Analysis of the company's delivery organization including the location of delivery sites.
